# ABOUT THE PROGRAM - BACHELOR OF EARLY CHILDHOOD EDUCATION

The Bachelor of Early Childhood Education prepares graduates to work in both Early Childhood and Primary Educational contexts. The course structure provides a community and school-based approach to teacher education with substantial opportunities for students to pursue studies in Early Childhood Education and Primary School Education. This professional degree qualifies them to work as a teacher in preschools and long day care as a four-year trained teacher, as well as preparing them for employment in other parts of the children's & family services sector.
