

BACHELOR OF BUSINESS ADMINISTRATION IN

HUMAN RESOURCE MANAGEMENT

LINCOLN
UNIVERSITY COLLEGE
DKU016 (B)

ABOUT THE PROGRAM - BBA IN HUMAN RESOURCE MANAGEMENT

The curriculum for the Bachelor of Business Administration in Human Resource Management is structured in such a manner so that it complements other academic pursuits at the Lincoln University College. A greater portion of the curriculum is devoted to teaching the relationship between the human being and that of the environment in a manner that the students from the management faculty can understand and devise solutions and programs for mitigation that would ultimately have these two disciplines working side by side. The curriculum for the Bachelor of Business Administration in Human Resource Management is also structured such that the students from Faculty of Business and Accounting from Lincoln University College and from environment, health, social sciences, and law students from outside of the Lincoln University College could enroll in the program to enrich their capacity in the field of human resource in order to broaden their sphere of opportunities in the marketplace. The emphasis of the programme on improving the quality of life cuts across all the academic disciplines at Lincoln University College.
